

WAIVER OF LIABILITY

Michigan Alpine Competition Council

I, _____ HEREBY ACKNOWLEDGE that ski racing is a dangerous sport which can lead to serious injury, or even death. I understand and voluntarily agree to personally assume any and all of the liability and risks of Alpine Racing.

Further, I agree on behalf of myself, my heirs, survivors, guardians, legal representatives or assigns to HOLD HARMLESS AND RELEASE the Michigan Alpine Competition Council (MACC), its officers, organizers, agents, team representatives, and employees from any responsibility for any and all personal injuries or death which I may suffer during and as a result of my participation in the MACC Racing events.

Further, I agree to visually inspect the race course prior to the race in which I will be racing.

By my signature I indicate that I have read and fully understood this WAIVER OF LIABILITY and agree to its terms of my own free will.

2012 MACC Racing

Quality Courses for Adult Racers and Eligible Junior Racers

The race format is FIS-style slalom, giant slalom, and super-G, set on the best terrain in the region. (Boyne Mountain and Searchmont.)

Race At Your Level

Compete in classes based on ability and gender. Ability groups with lots of racers are also divided by age (Open, 40+, and 60+). A handicap system puts you within a few seconds of the other racers in your class. Coaches offer help to racers in the beginning classes.

If you have raced all your life, compete at a high level in Elite-1 or Elite-2. If you have never run gates, or want to bring your racing skills to the next level, we have a spot for you.

What do MACC racers say about our program?

"I was very pleasantly surprised at the quality of the racing. Great organization, fun people, top-notch course-setting, and, especially in the Elite classes, a very highly skilled group of competitors."

— Cary Adgate, Elite Men

I'd like to give a huge THANKS everyone in the MACC organization for welcoming a new racer/skier with such open arms. It has been a true pleasure to meet so many people who are enthusiastic and passionate about what they do. Being a new racer and a new skier for that matter, I thought it was going to be very intimidating doing this for the first time and didn't really know what I was getting myself into. I have either been involved with and/or raced street rods, hydro-plane boats, motorcycles and mountain bikes and I must say that ski racing has been the most fun.

— Robert Michel, Vet Elite-2 Men

MACC provides me with the opportunity to fuel my passion for racing while making awesome friendships with a healthy dose of competition.

— Alexandra Carrico, Elite-2 Women

Great friends, great FIS-style ski racing, great conditions, great training, great après-ski, great food, at a great price. Who could ask for more?

— Steve Coatney, Vet Elite-2 Men

Where Do We Race?

We run top to bottom on the Super Bowl race area at Boyne Mountain and Searchmont, with permanent shacks at the start and finish, a convenient parking lot, and a warming hut for hanging out and changing gear.

Are There Trophies and Prizes?

Beside awards for each of the 12 races, you accumulate World Cup points over the season. The season ends with a three-day weekend that includes a banquet on Saturday night where the season trophies are given out, along with prizes from our sponsors. (skis, boots, poles, clothing, season passes, etc.)

What Is MACC?

The Michigan Alpine Competition Council (MACC) organizes series of 12 Alpine ski races in Michigan and Ontario. We are a non-profit corporation organized by volunteer ski racers to run "real races" (FIS style) for adults. **Each MACC racer must perform one job assignment during each race weekend.**

Who Can Race?

Registered Adults: The program is open to any adult (18 or over) interested in recreational racing.

Registered Juniors: The program is open to junior racers aged 15-17 who have at least one parent registered in the MACC. (A parent or designated adult must be present when a junior racer competes.) **If you are a junior racer on a high school team, you MUST have your high school coach co-sign this form. It is possible that participation in the MACC races could affect the eligibility of your entire team to compete in regular and post-season high school races.**

Guests: Any adult or eligible junior can race as a guest for \$10/day. If you decide to join for the season, your guest fees are applied to the registration fee.

How Do I Join?
