Officers Reports:

President – Mike Jablonski

The third weekend at Seachmont turned out good. We had 120 racers, which was a better turn out than last year. The weather was good. Sunday was a little cold and more back to the usual Searchmont weather. There were some timing equipment problems. The snow was in general good. Courses went well. The current management was more receptive and things went smoother. We did a better job this year in putting the safety bar down. The current group managing the resort is leasing it and they hope to buy.

The 4th weekend we will switch hills both days. Courses 1, 2, &3 will be on the south hill with courses 4&5 on the north hill.

Banquet Plans: Will be in the civic center. Need to encourage everyone to purchase their tickets early as prices will go up the day of the banquet. Prices are: \$30 adults, \$13 8 – 12 years, \$9 4-7 years, 3 and under free. Prices go up by \$3 for adults and \$1 for the kids. The World Cup awards are all set and up north. There will be an award nite on Friday so only Saturday races and World Cup awards will be give out at the banquet Sat. Will Promote the Cantor Cup at The Banquet..

Vice-President - Kate Fitkin

Ski training this year was a good program and the general consensus was to do it again next year. Early on there was lots of confusion, because the ski school was not involved. Mike Sayers will get a schedule to the head of the ski school early, hopefully to get them involved and avoid some of this confusion.

Kate will get some info to Jennifer for the news letter on the Miller Lite race team formation.

Finances – Scott Tater

Nothing new happening on the financial front. We owe some money to a few people and those checks will get issued soon.

300 long sleeve T-shirts will be available this weekend. 36 medium, 50 XXL, and the rest large or XL.

Computers, Software & Results – Steve Coatney

Everything is under control. Corrected a problem on the web.

Timing - Shawn Hughes

Everything is all set for the next race weekend. All positions are filed. Shawn will miss the meeting prior to Marks weekend and the Friday of Marks. His Lieutenants will be lined up.

Web Site & Rules – Mike Sayers

Rules OK. Web OK.

Race Workers – Jim Michon

Percentage of people not fulfilling their work requirements (pinkies) has been increasing. The first weekend we had 13 people who were delinquent the second weekend we had 27 with less racers. The race reps need to contact these people and have them contact Jim to correct the problem.

We have about a dozen people with no team. There was some discussion on how their points should be used if they join a club. The rules state they must join a club by their second weekend of participation. The matter was tabled to discuss at the last meeting of the year.

Awards & Sponsors – John Thomas

Cantor Cup: there will be two awards this year. One will be the same as last year with the best real time for two runs the second award will be for best results against there handicap. The awards will be the Cantor Cup pitcher for the best time and a decanter for best results against handicap. John Thomas will pick out a decanter. There will also be a patch for all participants that says MACC 2006 Cantor Cup
